

CENTRAL LIBRARY SURENDRANATH COLLEGE FOR WOMEN

Short History of the library:

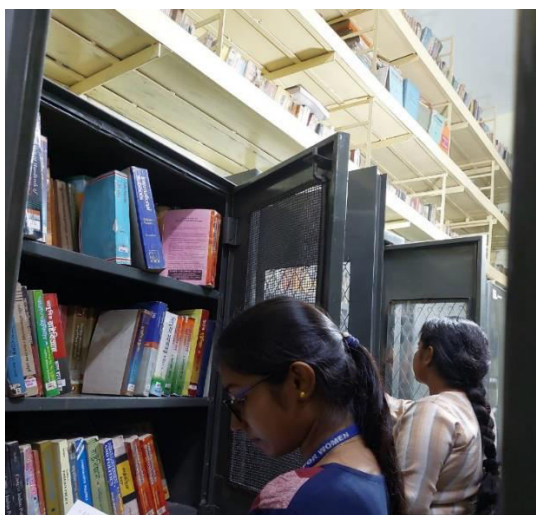

The Library of Surendranath College for Women has been working independently since 1962 in the same premises with Surendranath Group of Colleges. In 1996 the library has been shifted to the new premises. It is located in the western side of the ground floor of the building. Apart from the central library the college has seminar libraries under different honours departments.

Objectives, Purpose and Functions:

The basic common efforts our college library is to meet the legitimate needs and demands of all their users from the senior professors engaged in research work to the fresh students just

entering the institution.

Location and Layout of the Library:

The library is now located at the western side of the ground floor of the college building. It covers the floor area of 2500 sq.ft along with the mezzanine floor.

The ground floor of the library has been divided into Students reading room, Stack room, Lending and Reference section, Computer Unit and Librarians Chamber. The mezzanine floor has also Stack Room and faculty members reading area.

The seating capacity of the Library Reading Room:

Category	Seating Capacity
Students	60
Faculty	10

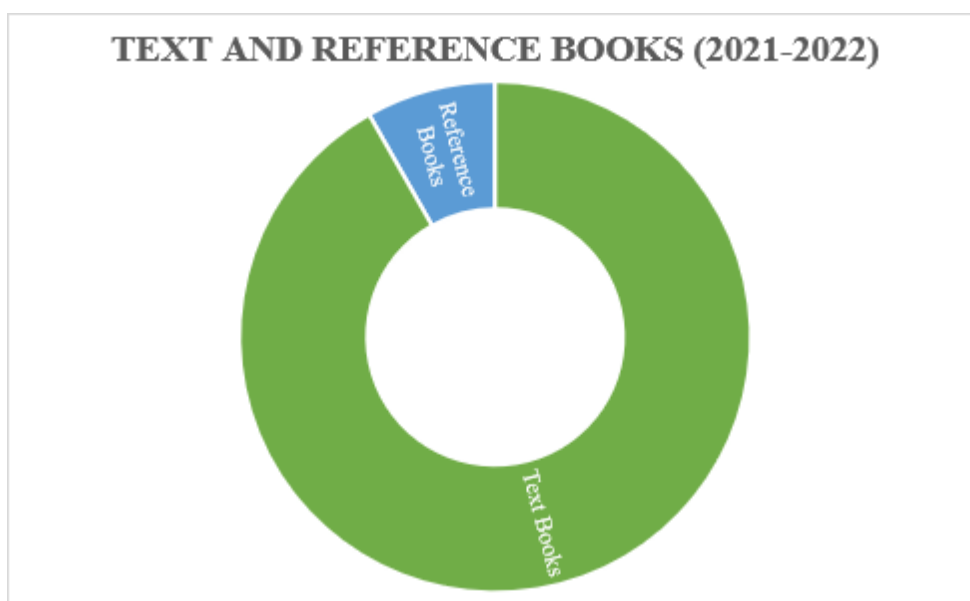

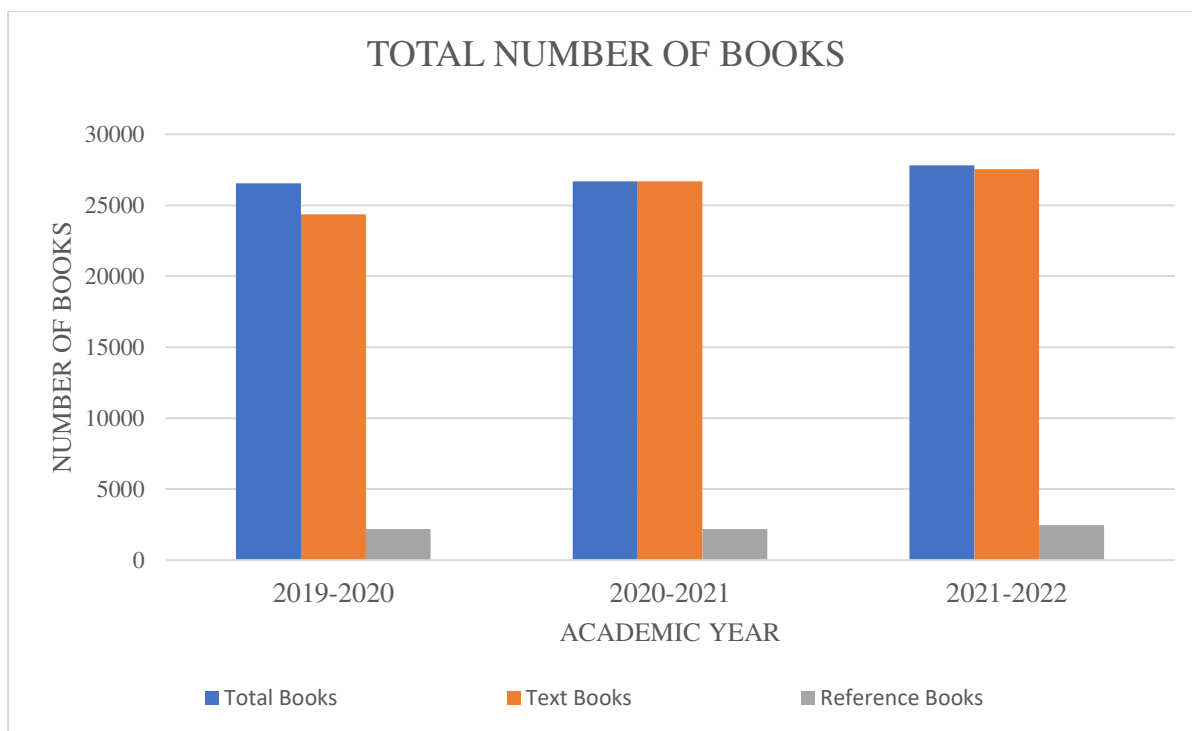

Books:

More than 28876 books (up to academic year 2022-2023) are in the central library and seminar libraries. The collection reflects the educational philosophy and objective of the institution.

Every year the college spends a large amount of money to buy books both text books and reference books in large numbers to provide learning infrastructure to its students. Books of all the courses offered in the college are available. The college library has given special consideration to the books required by students to prepare themselves according to the curriculum CBCS during the last few years.

Academic Year	Total Books	Text Books	Reference Books
2019-2020	26547	24365	2182
2020-2021	26698	26698	2182
2021-2022	27821	27540	2463

Journals and Periodicals and Newspapers:

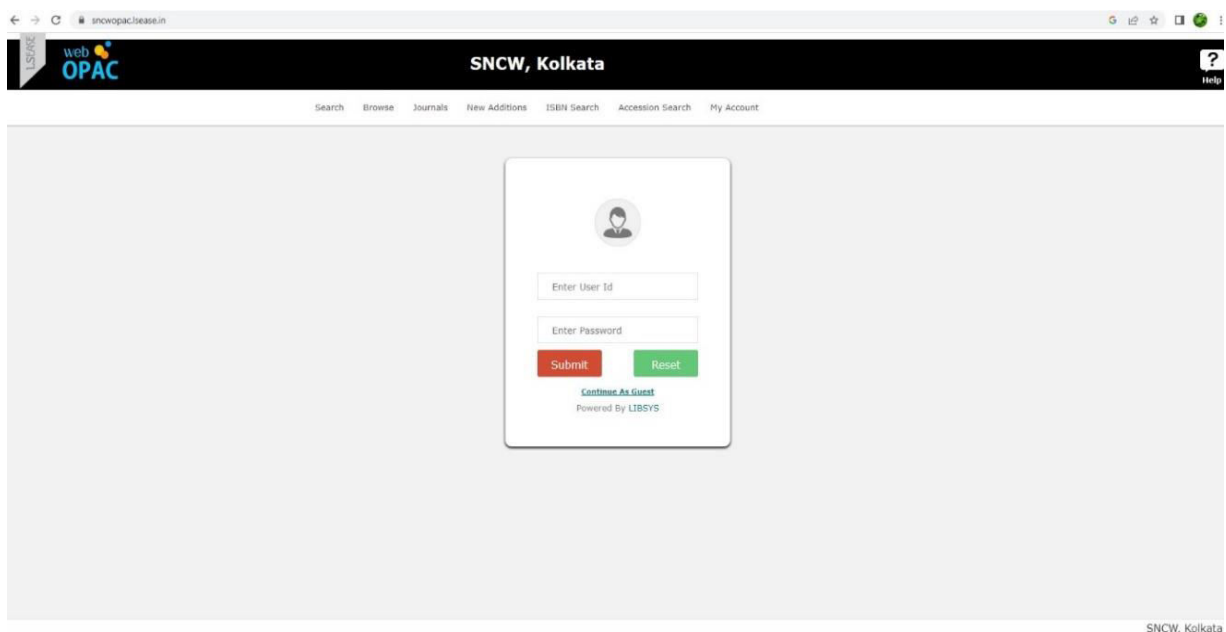

At present our college library subscribes 18 journals/periodicals on different disciplines. The library subscribes 9 daily newspapers (English, Bengali, Urdu & Hindi)

Software:

An online public access catalogue Online Public Access Catalogue, popularly known as OPAC is used for providing a bibliography of the books available at the central library. This online access catalogue is accessible both by teachers and students.

The library is managed with a help of a library management software from LIBSYS, called LS Remote Solution (version LS 10) from 2009 onwards. With the help of this software the library of our college is partially automated now. The manual catalogue is replaced by digital catalogue and had been made available to all students and teachers.
